

## Press release

DEKRA supports European initiative with three partner events

# DEKRA is a Partner to EU Green Week 2021

**DEKRA, the international expert organization, is supporting the EU Green Week 2021 initiative as a partner. DEKRA will be sharing its expertise in the field of sustainability at three partner events: “How to achieve climate neutral logistics,” “How to holistically integrate sustainability into your organization,” and “1 - 0 for the climate - Sustainable sports.”**

EU Green Week 2021 will kick off on May 31, with the focus this year being the “zero pollution ambition.” The conference and partner events will run until the middle of June and are intended to foster collaboration among all stakeholders. The agenda will cover all relevant initiatives from the European “Green Deal,” such as the climate action initiatives, the Chemicals Strategy, and initiatives in the fields of energy, industry, mobility, agriculture, fishing, health, and biodiversity.

As part of EU Green Week, DEKRA will be sharing its expertise in three webinars, to be held in English:

- **How to achieve climate neutral logistics**  
June 9, 2021, 2:00 p.m. – 3:00 p.m. CEST.
- **1 - 0 for the climate - Sustainable sports**  
(together with VfL Wolfsburg)  
June 10, 2021, 2:00 p.m. – 3:00 p.m. CEST.
- **How to holistically integrate sustainability into your organization**  
– **Advice for beginners** (together with LIGANOVA)  
June 11, 2021, 2:00 p.m. – 3:00 p.m. CEST.

DEKRA itself is proving its sustainability credentials in two ways. Firstly, with a platinum rating from EcoVadis, DEKRA is in the top one percent of sustainable businesses in its category. DEKRA will be CO<sub>2</sub>-neutral by 2025 and is systematically reducing its carbon footprint. Secondly, DEKRA is helping other companies to become more sustainable through its expertise and services, which include sustainability-related consulting, audits, and certifications according to recognized standards.

### **About DEKRA**

*DEKRA has been active in the field of safety for almost 100 years. Founded in 1925 in Berlin as Deutscher Kraftfahrzeug-Überwachungs-Verein e.V., it is today one of the world's leading expert organizations. DEKRA SE is a subsidiary of DEKRA e.V. and manages the Group's operating business. In 2020, DEKRA generated turnover totaling almost EUR 3.2 billion. The company currently employs around 44,000 people in approximately 60 countries on all continents. With qualified and independent expert services, they work for safety on the road, at work and at home. These services range from vehicle inspection and expert appraisals to claims services, industrial and building inspections, safety consultancy, testing and certification of products and systems, as well as training courses and temporary work. The vision for the company's 100th birthday in 2025 is that DEKRA will be the global partner for a safe world. With a platinum rating from EcoVadis, DEKRA is now in the top one percent of sustainable businesses ranked.*
